If so, who?

**SECTION 5: Study, Travel or Residence Outside of the United States**

Purpose, date and location: \_\_\_\_\_  
Purpose, date and location: \_\_\_\_\_  
Purpose, date and location: \_\_\_\_\_

**SECTION 6: Leadership**

Describe how you have utilized your role in an organization, a professional field or in the wider community to be a leader and enact positive change.

**SECTION 7: Proposed Academic Travel**

Please list your proposed university and course of study for the Eisenhower Global Scholars Program, why you have chosen this track and how you intend to apply your degree in your future work:

1) University of Oxford: Blavatnik School of Government, Master of Public Policy

2) IE University: Master in International Relations

**SECTION 8: Scholarship Project Objectives and Proposed Impact**

A. Eisenhower Global Scholarship requires recipients to produce a concrete project within three to five years of academic study that addresses a pressing social challenge, provides a solution to an important issue or advances an existing approach to a significant problem. Please describe in detail your project proposal, including how you plan to structure it, the positive impacts of this initiative, the resources needed to implement it and how it will be sustained.

B. In addition to the initiative described above, list one or two additional scholarship objectives that you could pursue as secondary interests. How would fulfillment of these objectives enable you to be more effective in your future work, your community or society at large?

C. An Eisenhower Global Scholarship is a lifetime commitment and an opportunity to engage in the global EF network. Describe how you have participated in academic, work or social networks in the past, and how you might extend and broaden these activities in the years to come.
